

TMT Instructions

Programming your remote to a TMT motor

1. Press and release the 'Code' button on the motor. The LED light will illuminate.
2. Press any button you wish to operate the motor on your new remote once until the LED light turns off.
3. Press the same button on your new remote again. The LED light will flash 8 times before returning to standby mode.

WARNING This product may contain a coin/button cell battery. Keep product and batteries away from children. A battery can cause severe or fatal injuries in 2 hours or less if swallowed or placed inside any part of the body. Seek immediate medical attention if it is suspected that a coin/button cell battery has been swallowed or placed inside of any part of the body
